Who does NOT need to attend evaluations?

1. There are no evaluations for t-ball.
2. Players returning to the same team in the same age group as the previous year do not need to attend evaluations.
3. Coaches that have been assigned to teams (1 head and 1 assistant) will have their children assigned to their team and will not need to attend evaluations.
4. Players entering a division with a sibling already assigned to a team will be placed on the same team.

All others should try to attend if possible. Players unable to attend will be assigned to teams by blind draft.
